

Memoir

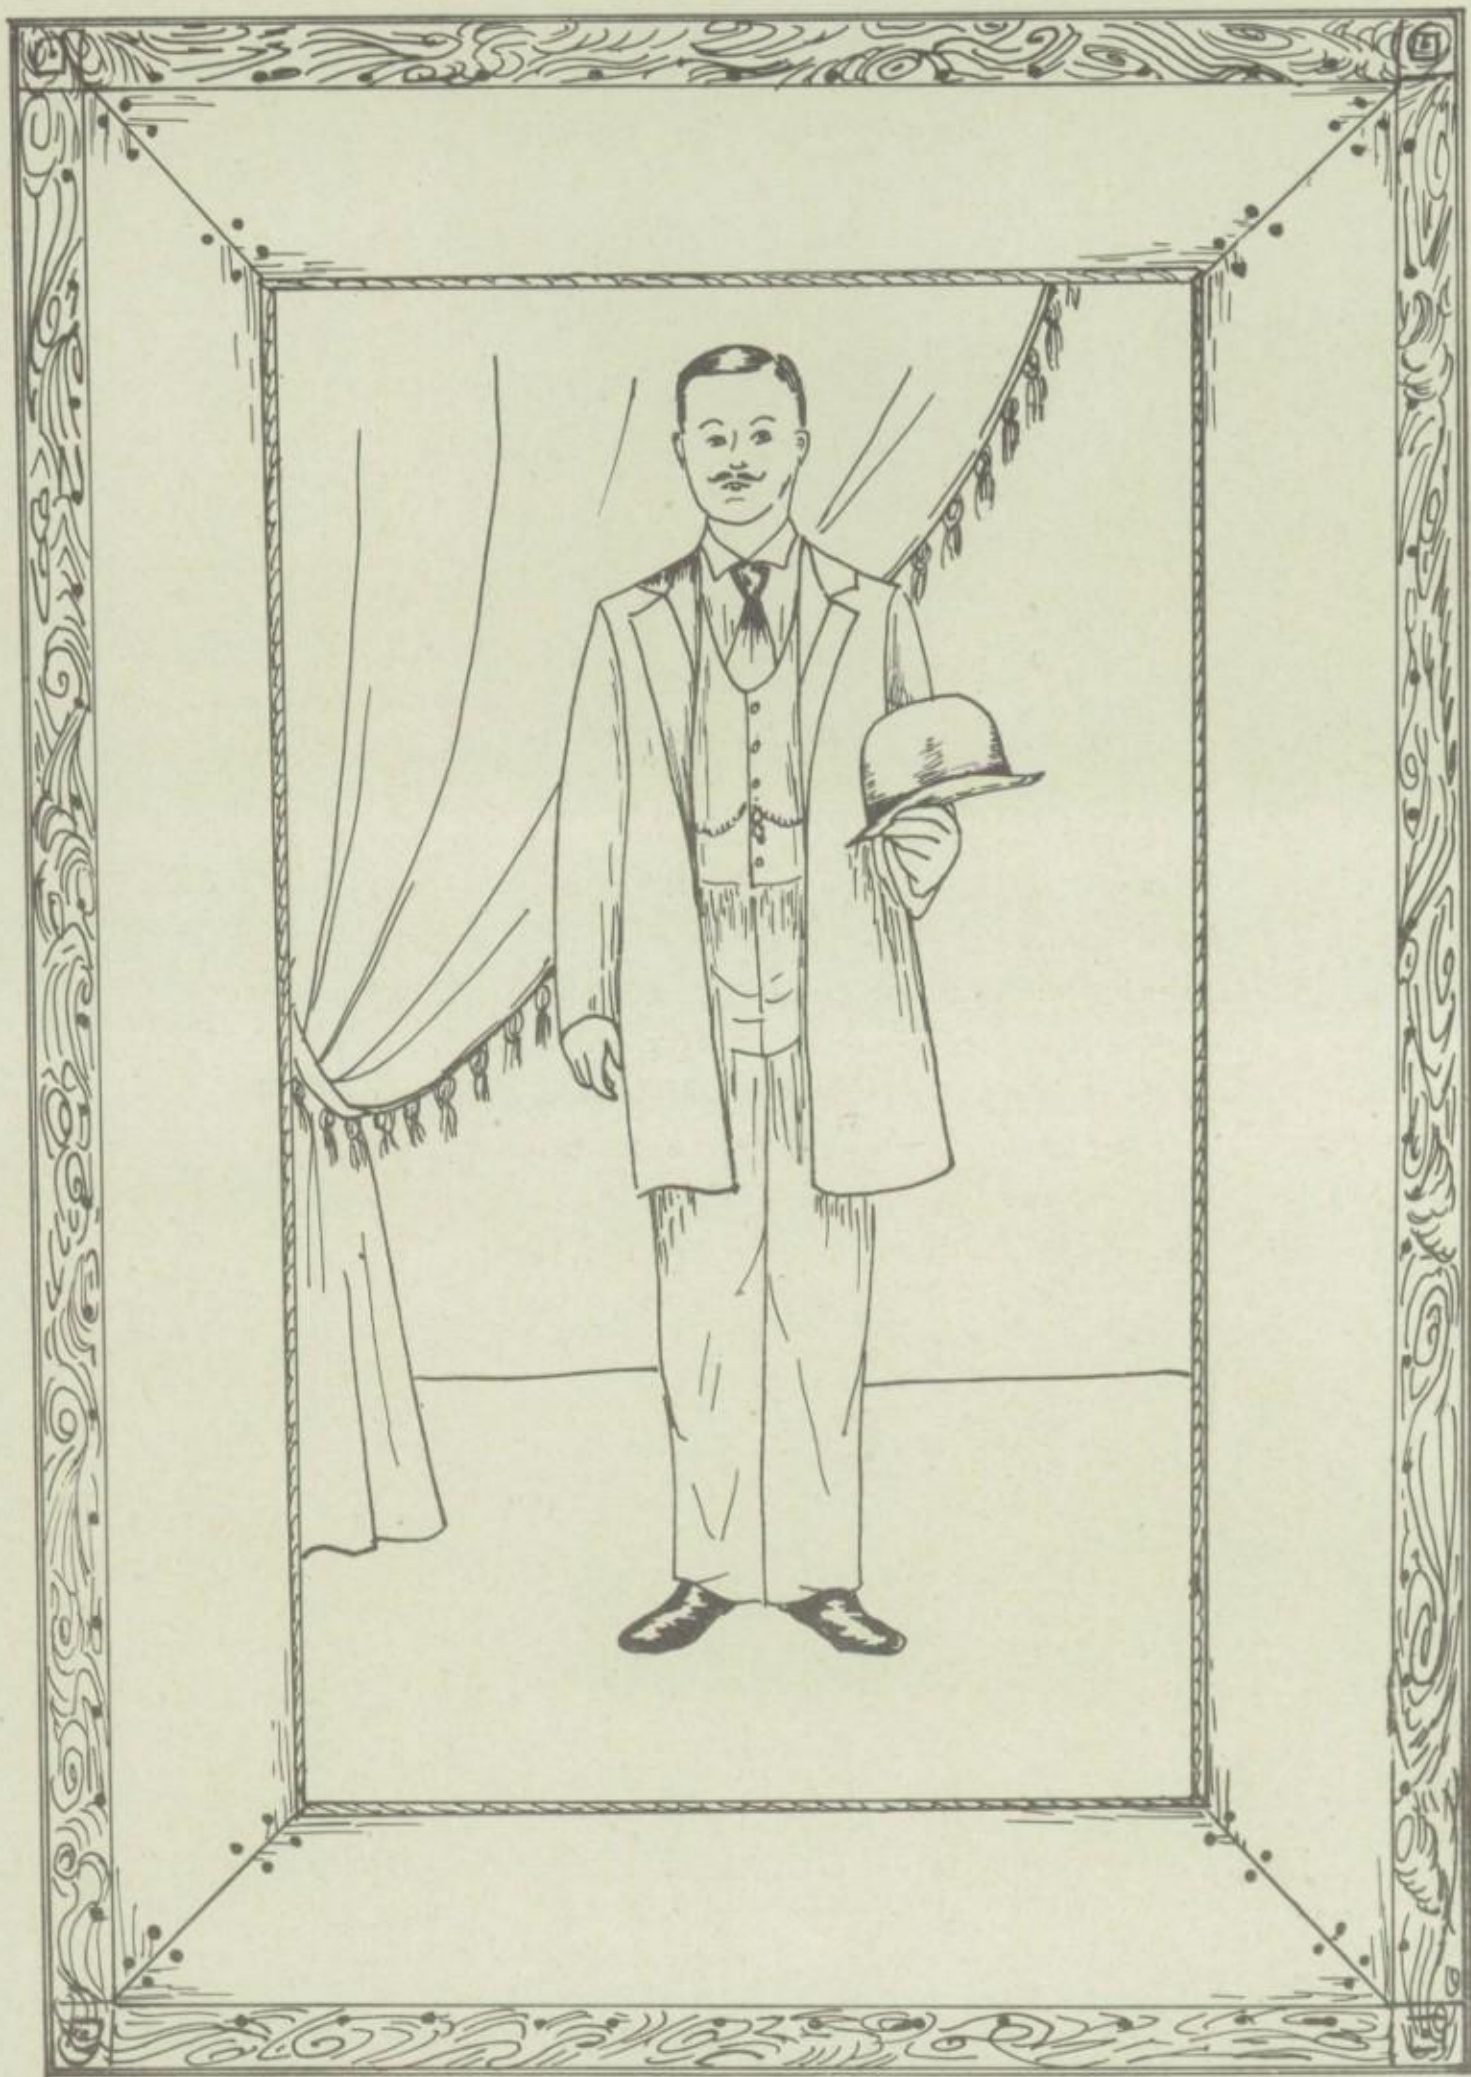

1945

FOREWARD

Even though this is wartime our minds wandered back to the romantic period of the gay nineties when riding on a bicycle for two was the fad. To this era belong the barber shop quartets, the horse and buggy, the women's hooped skirts and gigantic hats; and the men's striped suits, straw hats, bow ties, arm garters, carnations in the buttonholes, and their mustaches. The staff of the Memoir will try to recall the gay nineties to you even though space is limited.

CLASS HISTORY

Four years of high school have come and gone, but four years we won't forget, for they have left their mark on us.

In 1941 we were fifty green freshmen. Mr. Cheney was our class advisor. The officers we chose were Imogene Booth, president; Jack Pense, vice president; Leora Schmucker, secretary; and Elmer Girome, treasurer. Our chapel representative was Beverly Graber and the student council members were Ruth Ladley and Frank Cirone. On Nov. 28 the sophomores initiated us, and we all looked like fugitives from the side show--the girls with their upswept hairdos, long dresses, knee socks, and gym shoes; the boys with fingernail polish, makeup, hair bows, and patches; and everyone carrying his books in a kettle. A very successful roller skating party was held on March 19. Two freshmen participated in the high school play. Five of us earned scholarship medals. On June 2 we had our annual picnic at Lake O' Springs.

Forty-six of us returned from vacation. Our class advisors were Miss Ream and Miss La Borde. The sophomore class officers were Joe Angione, president; Charles Rickert, vice president; Imogene Booth, secretary; and Mary Ellen Parks, treasurer. Our chapel representative was Edward Shorb and the council members were Ruth Ladley and Frank Cirone. We initiated the freshmen in November. Leora Schmucker was chosen chairman of the initiation committee. Due to the war our activities were considerably limited. There were five medal students.

In 1943 there were thirty-seven juniors. Mr. Boyle and Miss McMillan advised us. Our class officers were Frank Cirone, president; Elmer Girome, vice president; Charles Rickert, secretary; and Maxine Zerbe, treasurer. Joe Angione was appointed candy chairman. John Miller was our chapel representative and Ruth Ladley and Joyce Feller were the student council members. Our main source of money came from selling candy, potato chips, and hot dogs at noon and at the games. A class party was held Feb. 12. On May 20, the Junior-Senior Prom was given by the Juniors. The theme was Dutch and the music was provided by Maxine Burfield and her orchestra. Wayne Strouble went to Ohio Boy's State. Three juniors had parts in the high school play. Three of us earned scholarship medals. The annual picnic was held at school.

Thirty-seven seniors returned from the summer vacation. Miss Hawes was our class advisor. Our class officers were Vivian Bair, president; Charles Rickert, vice president; Mary Ellen Parks, secretary; and Elmer Girome, treasurer. The chapel representative was Marveine Royer and the student council members were Ruth Ladley and Joyce Feller. Dorothy Ruch was chosen the judge of student court. Joyce Feller was chosen the editor of the year book. Our class sold stationery, license plates, pennants, M. H. S. caps and Christmas cards. Nelson Havis returned to the Navy, and a farewell party was given for him on Dec. 6. The seniors had concessions at the Stark County Class B Basketball Tournament at Massillon and made a considerable profit. We put on a class play, "That Crazy Smith Family" on April 7. The juniors gave us a nice prom in May. The last month flew by, followed by Baccalaureate and Commencement. Some of us felt happy about it, while others were very sorry that their school years had come to an end. We seniors took a last look at Middlebranch High School.

ACTIVITIES

The 40 girls that made up the Girl Reserve Club this year helped others as well as having good times themselves. During the entire school year, the girls sent out a box each week to some service boy or girl formerly of our school. For their first social affair, the girls hiked after school to Smith's woods and had a weiner roast. Next came the formal and informal initiation of new members. At this time, the girls also had their "mother-daughter banquet." The girls observed Girl Reserve Week by wearing emblems made by their own members. "Date Night" was held March 16. At this time the girls invited other girls as their "dates." A prize was given to the girl with the nicest home-made corsage, and also to best-looking couple. The Girl Reserves were in charge of a Monday morning devotional service, and an assembly program. The activities of this organization were brought to a close by the election of the officers for the coming year.

The Middlebranch Diamonds had a fairly good season, winning two games, tying two, and losing five. Although the Middies were not always victorious, they displayed a fine fighting spirit and good sportsmanship.

The team and coach deserve congratulations for their time and effort which they put forth this year.

BASKETBALL

The season of 1944-45 was a very poor one for the Diamonds. Although the Middies were handicapped by having no height, they fought good battles with all their opponents.

The Reserves which were made up of Freshmen and Sophomores, won three out of fifteen games.

The Middies' opening game at the tournament was played with Uniontown. In spite of this victory they were quickly eliminated by Greentown.
